2. Characteristic spirit and general objectives of the school

St. Brigid's is a Catholic primary school with a Catholic ethos under the patronage of the Bishop of Cloyne.

"Catholic Ethos" in the context of a Catholic primary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

- (b) a living relationship with God and with other people; and
- (c) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and
- (d) the formation of the pupils in the Catholic faith, and which provides religious education for the pupils in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of St. Brigid's School shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

3. Admission Statement

St. Brigid's School will not discriminate in its admission of a student to the school on any of the following:

- (a) the gender ground of the student or the applicant in respect of the student concerned,
- (b) the civil status ground of the student or the applicant in respect of the student concerned,
- (c) the family status ground of the student or the applicant in respect of the student concerned,
- (d) the sexual orientation ground of the student or the applicant in respect of the student concerned,
- (e) the religion ground of the student or the applicant in respect of the student concerned,
- (f) the disability ground of the student or the applicant in respect of the student concerned,
- (g) the ground of race of the student or the applicant in respect of the student concerned,
- (h) the Traveller community ground of the student or the applicant in respect of the student concerned, or
- (i) the ground that the student or the applicant in respect of the student concerned has special educational needs

As per section 61 (3) of the Education Act 1998, 'civil status ground', 'disability ground', 'discriminate', 'family status ground', 'gender ground', 'ground of race', 'religion ground', 'sexual orientation ground' and 'Traveller community ground' shall be construed in accordance with section 3 of the Equal Status Act 2000.

St. Brigid's Junior & Senior Infant Classes provide education for both boys and girls. St. Brigid's is an all girls school from 1st to 6th Class and does not discriminate where it refuses to admit a boy applying for admission from 1st to 6th Class.

St. Brigid's School is a school whose objective is to provide education in an environment which promotes certain religious values and does not discriminate where it refuses to admit as a student a person who is not of the Catholic Faith and it is proved that the refusal is essential to maintain the ethos of the school.

St. Brigid's, with the approval of the Minister for Education and Skills, has established a five class centre, Cuisle, which provides an education exclusively for students with a category or categories of special educational needs specified by the Minister and may refuse to admit to the class a student who does not have the category of needs specified.

4. Categories of Special Educational Needs catered for in the school/special class

St. Brigid's, with the approval of the Minister for Education and Skills, has established a five class centre, "Cuisle" to provide an education exclusively for students with Autistic Spectrum Disorder.

The child must have a diagnosis of Autism / Autistic Spectrum Disorder made by a psychologist or a member of the multi disciplinary team, made using the DSM-V or ICD 10 or equivalent. In order to access a special class a student must have a report from a relevant professional or Multi Disciplinary team of professionals (for example, psychologist, speech and language therapist, psychiatrist) stating that:

- ☐ S/he has a disability (in line with the designation of the special class in question)
- ☐ S/he has complex or severe learning needs that require the support of a special class setting and the reasons why this is the case. The professional report must meet DES requirements for the particular disability in question
- ☐ The Early Intervention A.S.D. class caters for pupils between three and five years of age. In the case of an early intervention A.S.D class, the professional report must state that the child has been diagnosed with ASD – the requirement for the report to state that the child has complex or severe learning needs requiring the support of a special class setting, is not necessary in this case. The policy is that all children enrolled in an Early Intervention A.S.D class funded by the Department of Education and Skills must have left the class and be enrolled in the primary school system, whether through placement in mainstream classes, in special classes or in special schools in the September prior to their sixth birthday.

5. Admission of Students

This school shall admit each student seeking admission except where –

- a) the pupil is under the age of 4 on 1st of September and seeking a place in Junior Infants in that school year.

- b) the school is oversubscribed (please see [section 6](#) below for further details)
- c) a parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student

St. Brigid's Junior & Senior Infant Classes provide education for both boys and girls. St. Brigid's is an all girls school from 1st to 6th Class and does not discriminate where it refuses to admit a boy applying for admission from 1st to 6th Class.

St. Brigid's is a Catholic School and may refuse to admit as a student a person who is not of the Catholic Faith where it is proved that the refusal is essential to maintain the ethos of the school.

Cuise, a five class centre, attached to St. Brigid's School, provides an education exclusively for students with Autistic Spectrum Disorder. The school may refuse admission to this centre, where the student concerned does not have the specified category of special educational needs provided for in these class(es).
